

HARD KILL

 Milliardæren og direktøren Donovan Chalmers hyrer en gruppe lejesoldater til at beskytte en ny teknologi, som kan ødelægge verden hvis den havner i de forkerte hænder. Deres opgave bliver kun endnu mere risikofyldt da Chalmers datter kidnappes af den ekstremt farlige terrorgruppe The Pardoners, som ikke lader sig stoppe af nogen eller noget for at få fat på opfindelsen.

 Et team av fryktløse leiesoldater ansettes av milliardæren Donovan Chalmers for å beskytte en ny type teknologi som -hvis det havner i feile hender -kan ødelegge verden. Deres oppdrag blir enda mer risikabelt når Chalmers 'datter' blir kidnappet av den ekstremt farlige terrorgruppen The Pardoners, som ikke stopper for noe for å få tak i teknologien.

 Miljardären och Vd:n Donovan Chalmers anlitar legosoldater för att skydda en ny teknik som kan förstöra världen. Deras uppdrag blir ännu mer riskfyllt när Chalmers dotter kidnappas av den extremt farliga terrorgruppen The Pardoners, som inte stoppas av någon eller något för att få tag på vinnaren.

 Upporikas teknologiajohtaja Donovan Chalmers palkkaa pelottomien palkkasoturien ryhmän suojelemaan arvokasta tekniikkaa, joka paljastuessaan voi tuhota koko maailman. Vaara kasvaa entisestään kun terroristiryhmä The Padrones kidnappaa Chalmersin tytärentähtiin heidän kehittämänsä teknologian haltuunsa.
