

🇩🇰 Music, en teenager med autismediagnose, lever en hverdag med faste rutiner. Da bedstemoderen dør vendes hendes hverdag på hovedet og hun bliver overladt til halvsøsteren zu, en nylig ædru nar-koman der knap nok kan tage vare på sig selv.

🇸🇪 Zu kämpar som nybliven nykterist när hon får veta att hon ska bli förmyndare för sin halvsyster Music, som har en diagnos inom autismspektrumet. Filmen utforskar två av Sias favoritteman - att hitta sin röst och vad det innebär att skapa en familj.

🇫🇮 Zu, en nylig nykter narkoman som knapt kan ta vare på seg selv får vite at hun må ta seg av sin halvsøster Music, som har en diagnose innenfor autismspekteret. Hun prøver å sette henne bort, men oppdager underveis at kjærligheten kan overvinne alt.

🇫🇮 Vasta raitistunut Zu saa huollettavakseen sisarpuolensa Musicin. Musicilla on diagnosoitu autis-mikirjon häiriö eikä hän puhu lainkaan. Elokuva kertoo Sian kahdesta suosikkiaiheesta – oman äänensä löytämisestä ja siitä mitä se merkitsee perheelle.
