

DON'T GET CAUGHT ON THE OUTSIDE

 Tre venner ansøger om at deltage i et extreme-gameshow – som en del af deres optagelsesprøve tager de til Australien for at optage en video med store hvide hajer. Men efter at have tiltrukket en sværm af sultne hajer, bliver deres turboat ødelagt af en massiv bølge. Efterhånden som skyer samles og mørket falder på, indser vennerne at de er alene og forsvarsløse, flydende i det iskolde hav, omringet af sultne hajer.

 Tre vänner ansöker om att delta i en extrem gameshow - som en del av sitt antagningsprov åker de till Australien för att spela in en video med stora vitthajar. Men efter att ha lockat till sig en grupp ilska hajar, förstörs deras båt av en massiv våg. När mörkret faller på, inser vännerna att de är ensamma och försvarslösa, flytande i det iskalla vattnet medan hungriga hajar börjar cirkulera.
