KRISTELIGT DAGBLAD

Martin Scorseses filmatisering af Shusaku Endos klassiske mesterværk.

I 1600-tallets Japan er kristendommen forbudt og syndere bliver retsforfulgt. Kristne tages til fange, tortureres og tvinges til at opgive deres tro. En gruppe unge jesuitter fra Portugal beslutter sig for at tage til Japan på illegal vis, for at hjælpe de undertrykte kristne, og finde sandheden om det utænkelige rygte om at deres beundrede lærer skulle have vendt kristendommen ryggen. I Japan bliver gruppen stillet over for de hårdeste prøvelser i deres liv.
