

Alene og indespærret i en isoleret sygehusafdeling prøver en skadet, ung kvinde at undslippe to mordere som skal sikre det eneste bevis som kan fælde dem – nemlig kuglen i hendes ben. Hun får hjælp af en politiveteran og han bliver hendes beskytter efterhånden som situationen bliver farligere. Nu må de begge kæmpe for at overleve natten.

Alene og innelåst i en isolert sykehusavdeling prøver en skadet ung kvinne å unnsippe to mordere som skal sikre det eneste beviset som kan felle dem – en kule i beinet hennes. Hun får hjelp av en politiveteran og han blir hennes beskytter ettersom natten blir stadig farligere. Nå må de begge kjempe for livet for å overleve natten.

Ensam och inlåst på en isolerad sjukhusavdelning försöker en skadad ung kvinna fly undan två mördare som ska säkra det enda beviset som kan fälla dem – en kula i hennes ben. Hon får hjälp av en polisveteran och han blir hennes beskyddare när natten blir allt farligare. Nu måste de båda kämpa för sina liv för att överleva natten.

Illan hämartyessä sairaalan eristysosastolla pakenee loukkaantunut nuori nainen. Hänen perässään ovat murhaajat jotka jahtaavat ainoaa todistuskappaletta joka voi yhdistää heidät hirvittävään murhaan – naisen jalassa olevaa luotia. Naisen onneksi hänen turvakseen on määrätty expoliisi, jonka apu yön tunteina osoittautuu elintärkeäksi.
