

 Från skaparen Mike Mignola kommer en ny actionfylld historia om den demoniska antihjälten Hellboy som åter till den engelska landsbygden för att bekämpa en trio rasande jättar. Snart kommer han i kontakt med Nimue, The Blood Queen, en återuppståndet häxa som tror att hämnas ett förgäivet förräderi. I en kamp mellan det övernaturliga och mänskliga, är Hellboy fast besluten att stoppa Nimue och rädda världen från undergång.

# HELLBOY

The title "HELLBOY" is rendered in a large, bold, metallic font. The letter "E" is replaced by a stylized lightning bolt. The letters are set against a background of intense fire and flames. Two large, curved, horn-like structures frame the central part of the title.
