

DK Hva har Donna Summer, Gladys Knight, The Isley Brothers og The Village People tilfælles med rockebandet KISS? De nådde alle deres musikalske højdepunkter på grund af musikbranchens mest farverige og brillante musikproducer, Neil Bogart. Han grundlagde Casablanca Records som endte med at blive et af de mest succesfulde pladeselskaber gennem tiden. Casablanca Records forandrede musikbranchen og deres kreative galskab og musikkene de skabte, formede vores kultur og ændrede musikindustrien for altid. I en historie så usandsynlig at den kun kan være sand, skabte Casablanca Records vores livs største soundtrack.
