

Work hard. Fail hard. Två totalt omaka entreprenörer – den fumlige uppfinnaren Mike Lazaridis och den iskalla säljaren Jim Balsillie – teamar upp bakom prylen som skulle komma att bli en världssuccé i raketfart. Men smartphone-revolutionen kommer ikapp dem när fallhöjden är som störst, och landningen blir allt annat än vacker. BlackBerry är en komedi om originalen bakom den beroendeframkallande superhypeade lilla telefonen som nådde omedelbar ikonstatus bland kändisar och finansmoguler – och lika snabbt kastades i soporna när hypen dog.
