

Dette er fortellingen om verdens største komikerpar og bestevenner Stan Laurel og Olivier Hardy, som i Norge er kjent som Helan og Halvan. De to morsomste mennene i hele filmhistorien erobret Hollywood med sine banebrytende karakterer og komiske timing under den tidlige gullalderen. Dette er den ukjente historien om deres liv både bak og foran det store lærretet hvor de forsøker å gjenvinne sin filmkarriere. Dette får dem ut på et eventyr, som blir deres svanesang, igjennom etterkrigstidens Storbritania.
